Continuation of Substance of Interview including description of the general nature of what was discussed: Examiner Rogers called Mr. Wilson originally on 11/7/2006 at around 12 PM to discuss a proposed amendment to the claims by the examiner, which the examiner felt would place them in better condition for allowance. The amendments consisted of canceling claims 35,38,46-49 and 52, rewriting claims 36,37 and 53 to be in independent form and bringing in the limitation of claim 38 that POLY is poly(ethylene glycol) into claims 36 and 37. Mr. Wilson called examiner Rogers back and agreed to these proposed amendments on November 13th at 2:20 PM.
